

GD IS SIMPLE

They say we can not see the divine
Hidden beyond humanity's grasp,
As our understanding is weak
And our imaginations shallow

But in your face I see Gd;
The brilliance of creation,
The joy of life

In your embrace I feel Gd's love;
The comfort of security,
The peace of belonging

Gd is not hidden
Nor clouded in mystery.
Gd is the connection between
Where we meet with each other.

Gd is visible at every moment
In the wonder of nature,
The magic of the seasons,
And our dependence upon the earth.

Understanding Gd is as simple
As opening one's eyes
And in loving another.
